RE: Staff's **Second** Set of Data Requests to Antelope Lakes Sewer, LLC  
Docket # SW-20510A-07-0062

Dear Ms. Mitchell,

We received your **Second** Set of Data Requests, dated February 5, 2008. At this time we would like to request an extension on the time we have to respond. We are in the process of changing Accountants and consequentially, more time is required to fully and adequately respond to your request.

We have been using Mr. Thomas J. Bourassa, and feel that it is in our best interest at this time to change accountants. We have engaged the services of Ms. Sonn Rowell, Certified Public Accountant to respond to your request. With the change it is necessary for us to request an additional 30 days in order to effect an orderly change over.

We appreciate your support in this request. The other sets of Data Requests will be answered within the original time frame. If you have any questions please contact me at (928) 778-2600.

Sincerely,

Craig Garvin
